

Teacher Wellbeing - We Care

On Monday it was World Teachers Day, & at Positively Empowered Kids CIC, we would like to thank each & every member of staff, including support staff, for their passion, courage, & kindness towards our incredible children at this time.

Positively Empowered Kids CIC, is a social enterprise passionate about the wellbeing & potential of the next generation. Alongside that, we recognise that the adults that surround them are just as important.

In recognition of this, we have been busy collaborating to bring a wealth of support for you to access for FREE in the next two weeks, to support raising your wellbeing at this challenging time.

You have done such an incredible job over the last few months, & you still continue to do so. We strongly believe your health and happiness is important, & it is not always seen as a priority.
We feel it should be.

Here is what is happening:

Friday 9th October 4pm
